

Dear Parent,

Our Brookwood Basketball Camp is about making winners out of young ladies.

During our camp, we hope to help your daughter learn a lot about what it means to be a good basketball player. We hope your daughter starts to love basketball as much as we do, and we hope she has a lot of fun, too!

At the same time, we want your daughter to become a winner in life. Basketball is not as important as things like "God and family." Basketball is not as important as their education. Real winners will have their priorities straight and want to be good at everything they do!

We will also talk about self-discipline. Self-discipline will allow your daughter to become a good basketball player and a good student. Self-discipline will also help your daughter say "No" to drugs and alcohol because a self-disciplined girl has confidence and wants to become as good as she can, and she won't want drugs or alcohol to interfere with that.

Finally, we hope that by the end of the camp your daughter will be a goal setter and an achiever! Girls who are self-disciplined, goal setters, and achievers are winners in LIFE!

Sincerely and Excitedly,

Scott Terry
